- › Choice of High Quality Laminates & Metal finishes
- › Adjustable Glides
- › Customizable labels & corporate logo

AVIATION TRIPLE STREAM

RECYCLE CONTAINER

Attractive quality made Aviation recycling bins are built using **high end stainless steel with a custom laminate finish**. Waste Wise Products' metal finishes & components are made from a **minimum 25% recycled material**. With a **wide color palette & metal finishings**, the Aviation can be customized to match any architectural design. Highly scratch and dent resistant: Aviation Recycling Bins are designed to **ensure longevity** of use.

Each receptacle comes with fixed three streams openings. Stream decals & receptacle logos are manufactured from **commercial grade vinyl for interior or exterior application**. Customize your Aviation's labels to ensure a **successful corporate waste strategy** (i.e.: Recycle Only, Organics, Paper, Plastic, Aluminum Cans & Bottles, Waste etc). For cafeterias, this recycle bin can be customized with a tray holder.

With a **solid enclosed bottom & durable rigid liners**, your Aviation's liquids and waste streams will be intact. The individual rigid liners allow for **ergonomic & efficient** removal of your waste and recyclables.
