# KALEIDOSCOPE

## SQUARE TRIPLE STREAM

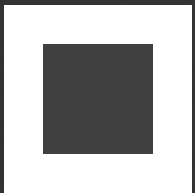

The Kaleidoscope Square Triple Stream includes **3 x 24 Gallon Squares** that you can use to create custom recycling stations for corners, islands, or as stand alone units. **Four heavy-duty feet** keep the units slightly elevated to **allow for air circulation** and help **restrict mold and mildew growth** and unsightly discoloration of floor surfaces from “mop around” ring.

For simple servicing, the Kaleidoscope Series includes **rigid plastic liners with built in handles & easy to remove steel tops**. The liner base resin meets UL94 Flammability Standard.
