AVENUE

The Avenue is a **100% solid aluminum outdoor container with an eye catching laser cut grass motif; finished with an antique bronze and satin bronze powder coat (laser cut motif & trim).** These recycling bins are highly scratch and dent resistant to ensure a longevity of use. Easily level and move using the Avenue's **4 adjustable gliders.** The Avenue is also available with weather top.

The Avenue features a **minimum 25% recycled material on all metal parts.** Each receptacle has a **solidly enclosed bottom to protect flooring,** and comes with a **1 year manufacturer's warranty.** Custom sizes are available for orders of **25+ units.**
