METRO COLLECTION

STAINLESS STEEL SINGLE STREAM

The Metro Stainless Steel Single Stream's clean lines and quality construction merge to create a Recycling Receptacle that is as **visually stunning as it is functional**. Ideal for any indoor area, including Atriums, Lobbies, Boardrooms / Conference Rooms, Corridors / Hallways & Office Areas.

This complete recycling bin includes **easily interchangeable tops; allowing for ergonomic maintenance**. Choose from a beveled top, flat circular top or commingled opening top. Each top is finished with a fingerprint proof EXL-Coat™ Powder coat. With **4 heavy-duty feet**, the unit is slightly elevated to allow for air circulation and help **restrict mold and mildew growth and discoloration** of from "mop around" rings. Also, the individual rigid liner meets **UL94 Flammability Standard**.
