METRO COLLECTION XL

DOUBLE STREAM

The Metro Collection XL Double Stream's clean lines and quality construction merge to create a recycling receptacle that is as **visually stunning as it is functional**. Ideal for any indoor area, including Atriums, Lobbies, Corridors / Hallways & Office Areas.

This complete recycling bin includes **easily interchangeable top; allowing for ergonomic maintenance**. The double stream top includes a rectangular and commingle opening, finished with a fingerprint proof EXL-Coat™ powder coat. With **4 heavy-duty feet**, the unit is slightly elevated to allow for air circulation and help **restrict mold and mildew growth and discoloration from "mop around" rings**. Also, each individual rigid liner meets **UL94 Flammability Standard**.

A transfer decal kit is included with a plastic squeegee for quick and easy application.
