BOXINA

DOUBLE STREAM STAINLESS STEEL

The Boxina Double Stream Stainless Steel is an attractive recycling container is perfect for any interior design in your facility. Made from 16 gauge 304 grade stainless steel & fiberglass liners, this stylish receptacle is built for durability.

This container's straight back allows for optimal footprint; letting the unit sit flush with any interior wall.

It's compact design makes it ideal for any indoor high traffic area, including Atriums, Lobbies, Boardrooms / Conference Rooms, Corridors / Hallways & Office Areas. The Boxina Double Stream's body can also be customized with a high quality laminate finish.
