

Uptown Triple Stream

An outdoor container stylish enough to be indoors!

Ideal for high-traffic areas, this recycling station offers the best of the best when it comes to function and style. Rotationally molded for added durability. The Uptown consists of three 32 gallon liners designed to fit inside the unit perfectly. Built-in deflectors ensure a clean sort, preventing cross-contamination, while the angled surface of the unit directs rainwater away from the front of the container. The Uptown is fully customizable, allowing you to create a unique unit that speaks directly to your recycling initiatives.
