

SC-2633 BLK

SCTP-40 ND HGR

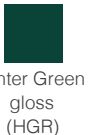

SCTP-40 COF

FEATURES & BENEFITS

- Available in three (3) styles: Classic or SCTP-40 (with or without door)
- All constructed with 3/16" thick, 1.5" wide steel bars, channels and leveling guides
- Units without a door have a funnel top with 12" waste opening that is attached to the receptacle with a security lanyard. Units with a door have a flat lid with 12" waste opening that is permanently affixed to the receptacle.
- Classic Streetscape features a flared top and 37 gallon capacity liner
- SCTP-40 ND Streetscape features smooth, clean lines and a 45 gallon capacity liner
- SCTP-40 Streetscape features smooth, clean lines, 45 gallon capacity liner, and a self-locking front door for easy, no lift liner removal
- Pre-drilled holes in the bottom of the unit allow for in-ground mounting (anchor kit included)
- Liners are LLDPE plastic with lift holes and bag retention notches.
The liner base resin meets UL94 flammability standards
- Replacement parts available
- Contains over 30% recycled materials and is 100% post-consumer recyclable
- Made in the USA
