

# *Aristata*<sup>TM</sup> Series

VERSION 1.2

# Recycling has never looked so simply beautiful.

You think you know someone...but what if they do something that's completely out of the ordinary?

*Now...we are also bringing you unparalleled style.*

Our dedicated team has spent countless hours crafting the look and feel of the stunning new Aristata Series. Each finish and detail was meticulously chosen to be on-trend with today's modern interiors, which has created recycling and waste bins that blend seamlessly into any space.

Comprised of sixteen striking designs in a variety of sophisticated hues, the Aristata Series maintains all of the practicality you would expect from Waste Wise Products.

Customizable lids and labelling options are available for personalization and the entire series will suit every combination of recycling streams.

Recycling has never looked so simply beautiful.
