Features & Benefits

RecyclePro Modular recycling bins are the next generation for recycling management. This collection of recycling receptacles offers an extensive selection of sizes, inches, openings and silk screened messages. This container features 4 connected receptacles; making your waste diversion user-friendly & easily sortable.

- modular recycling stations encourage use
- custom finish combinations available
- all metal fire safe construction with your choice of plastic or galvanized steel liners
- custom silk screened messages and logos
- indoor/outdoor all weather finishes
- optional designer decorative bands available
- engineered for durability
- optional outdoor canopy tops available
- capacities ranging from 12 to 41 gallons
- sizes of 12", 15", and 20" diameter
- manufactured in the USA
- styles and finishes for every facility
- 2 to 3 day super quick ship for all models
- 27 designer colors and 2 metal finishes
- designed and produced for environmental sustainability

Logos & Wording

There is no need to "apply a decal" which may eventually peel, curl, and fall off. All RecyclePro receptacles are permanently silk-screened with your choice of standard messages for each opening. Please specify your message for each hole.

Double Units

| Model # | Dimensions | Capacity | Weight | Finishes |
|---------|----------------------|----------------|-----------|------------------------|
| 1242-2 | 2 x 12" Dia. x 30" H | 2 x 15 Gallons | 2 x 12lbs | SA, SB, Designer Color |
